Study-Worship-Creating Community

MESSAGE FROM THE RABBI:

Har-El is a member congregation of the Union for Reform Judaism. Social Action has been a major emphasis within the Reform movement in Judaism beginning in the 19th century.

Fall 2015, Har-El gave a Galen Trimester Course on “American Jews in the Fore-front of Social Change.” Over two dozen people registered for the course. The course also provided a review of the Judaic religious sources of Social Action found within our tradition.

The Har-El Social Action Committee promotes creating community through study and civic commitment. One of the activities in which the Har-El Social Action Committee is engaged is creating community through volunteering.

Each year, the Committee recognizes the impact that Har-El members have provided to the Jewish and general community as well as to Har-El.

At the Annual Meeting of 2017, all volunteers will be called to the pulpit and given special recognition and a blessing by me and Cantor Sam Radwine.

Please complete the form provided to you and let the Committee know of your involvement in 2016 in the Jewish and general community. Please return the form by February 1st, 2017.

The Committee looks forward to hearing from you.

May we go from strength to strength in both the Jewish and general community as we begin the new year 5777.
